MEMORANDUM FOR: Project Development Officer
THROUGH : Project Director of Development & Procurement
SUBJECT : Trip Report to Hqs ARDC, 6 November 1957
(SAPC-20869)

I have read your report on your trip to ARDC with great interest. However, there is one item on which I would appreciate additional information. This is the so-called "Ritland Study". At your convenience I would like to receive a brief outline of the main points covered in this study. If a copy of this is available, you might include it with your note.
